Fax : +33 1 42 67 22 33  
Mail : [francare@francare.com](mailto:francare@francare.com)

- **Contracts with Health Ministry from 2004 to 2013**
- **Deliveries to 16 Districts hospitals (Abéché, Ati, Bardhai, Biltine, Bokoro, Danamadji, Faya Largeau, Kélo Massakory, Massaguet, Mongo, Moundou, Moussoro, N'Djaména Bilala, Sarh) and to 100 health centres all around Chad.**

- **Management of all supply chain logistics: procurement, sea freight in FCL and dispatch of all the equipment towards the different sites/hospitals & health centres.**
  - Laboratory, sterilization and imaging furniture
  - Equipment for anaesthesia-reanimation and surgery rooms
  - Diagnostic Equipment and consumables
  - Medical devices, instrumentation, monitoring and professional diagnostic

- Technical audit of the Chad infrastructures before installation. Guidelines and management of the infrastructure work in the different rooms in each hospital and health centre to meet the technical prerequisite of manufacturers
- Mobilization and intervention of 20 biomedical engineers for the installation, commissioning and multidisciplinary training of the Chad medical teams on each location
- Multidisciplinary corrective maintenance (laboratory, imaging, anaesthesia-reanimation) is still being assured
- Annual contracts since 2006 for the supply of medical devices and equipment for the *Centrale Pharmaceutique d'Achat* - several FCL are sent in each delivery

Sarh in the Middle Chari Province
